# Announcing the Recipients of the 20/20 Vision Awards

The Commission on Domestic & Sexual Violence is pleased to announce the recipients of the 20/20 Vision Awards. The awards were created in honor of the important work accomplished by the passage of the Violence Against Women Act and the creation of the Commission on Domestic & Sexual Violence 20 years ago. Recipients played an instrumental role in mobilizing the legal profession against domestic and sexual violence by either creating, supporting, advancing, or advocating for the CDSV or VAWA over the past two decades.

An awards reception will be held in the recipients' honor during the ABA Annual meeting in Chicago, IL. Event details will be released in the coming months.

If you or your organization would like to purchase space in the program book, or if you would like to become an event supporter please contact [Vivian Huelgo](#). The deadline to purchase ad space and a level of support is June 19, 2015.
