

JWI action alert

Now that President Obama has nominated Chief Judge Merrick Garland to the Supreme Court, it's time to tell the Senate: **#DoYourJob!** Hold a hearing and fulfill your constitutional duty – too much is at stake for women and girls to leave this seat vacant.

Take Action

“The President has fulfilled his obligation and nominated a most impressive candidate to the Supreme Court. **Chief Judge Merrick Garland is an accomplished and highly respected jurist** who is eminently qualified to fill the vacancy on our nation’s highest court.

We urge the Senate to set aside any possible obstructionist tactics and move forward with hearings. **There is simply too much at stake for women and girls**, and for all Americans who, in the words of Chief Judge Garland upon his nomination, 'trust[s] that justice will be done in our courts without prejudice or partisanship.'
