Thanks to your tremendous advocacy, the Senate's dangerous Healthcare Freedom Act was defeated last night. [Please take a minute to thank the American heroes who made the difference.](#)

You may already know that **Sen. Mazie Hirono** (D-HI), undergoing treatment for Stage 4 cancer, nonetheless went to the Capitol to cast her vote to save healthcare. **Sen. John McCain** (R-AZ) did the same thing, despite a devastating cancer diagnosis. Senators **Lisa Murkowski** (R-AK) and **Susan Collins** (R-ME) withstood tremendous pressure to stand with us, along with 47 other steadfast Senators. If we had lost even one of these 51 votes, this terrible bill would have passed.

Thank you for making calls and sending emails to support them in this decision to preserve the healthcare of millions of individuals, survivors of domestic violence, and their families.

[Please join us in thanking all of these American heroes – the Senators who stood up for healthcare.](#)

And *please forward this request* to friends and colleagues. We need a huge response to assure them that they did the right thing, and that we are with them.

Thank you for all that you do to support survivors and help end domestic violence.

For peace and safety,
