

Call for Presenters

17th Annual Partners in Prevention Conference Hosted by DFPS Prevention & Early Intervention Division October 3 - 5, 2017 | San Antonio, TX

Partners in Prevention is the largest annual gathering of prevention and early intervention professionals in Texas. The conference attracts parent educators, youth service providers, civic leaders, policy advocates, researchers and others with a professional interest in child and family well-being, youth development and juvenile justice.

Our 2017 theme — **Mission Possible: Stronger Families and Communities** — embodies both the goal and the spirit of the many individuals and organizations working together to reduce child abuse, enhance school readiness, improve social-emotional and physical health and strengthen communities.

PIP is a great venue to share your knowledge, skills, and research. Help shape the conference agenda by proposing learning sessions that are innovative, insightful, engaging, and would equip participants with tools or knowledge in one or more of the following areas.
