

## **Participate in Research Opportunity for Sexual Assault Survivors to Help Improve Police Response**

If you are a sexual assault survivor and are 18 years or older, we want to hear about your experience, recovery, and decision to report to the police or not. If you did report to the police, we want to hear about your experience with the officer(s) who worked on your case. Results will be used to inform training practices for police in the Chicagoland area. Please complete a brief and confidential survey at this link: [www.goo.gl/T1h1iZ](http://www.goo.gl/T1h1iZ).
