ACTION ALERT (re: Blumenthal / Murphy Domestic Violence Amendment) – PLEASE TAKE ACTION

Hi Everyone!

Background

Sens. Blumenthal, Murphy, Boxer, Durbin, Markey, Murray and Warren have introduced the attached Lori Jackson Amendment (which contains the same language as the Blumenthal/Murphy bill) to S. 2363 (a Sportsmen's bill that, among other things, is designed to potentially expand hunting on federal lands). **NNEDV supports the Lori Jackson Amendment** which is designed to ensure that: (1) victims of dating violence are included within domestic violence gun protections; and (2) authorities can prevent abusers who are subject to ex parte protection orders from having weapons during the course of the ex parte order.

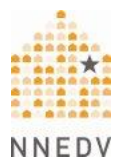

Requested Action

As usual, this action alert has a short turnaround time. The Lori Jackson Amendment may be addressed by the Senate as early as *tomorrow*. **Please contact your Senators now!**

- **URGE** your Senators to **vote for** the lifesaving Lori Jackson Amendment
- If your Senator is listed above as a co-sponsor of the Lori Jackson Amendment, **THANK** her or him for working to save victims' lives
- If your Senator is listed **here** (as a co-sponsor of the underlying Sportsmen's bill) **URGE** her or him to also help save victims' lives by voting for the lifesaving Lori Jackson Amendment.

Please let us know at advocacy@nnedv.org once you've made your calls.

Thanks for all you do to help keep victims safe,
