

National Task Force
to End Sexual and
Domestic Violence Against Women

December 12, 2011

The Honorable FULL NAME
OFFICE ADDRESS
Washington, DC ZIP COE

Dear Senator/Representative LAST NAME:

We, the undersigned organizations, represent millions of victims of domestic violence, dating violence, sexual assault and stalking, and the professionals who serve them, throughout the United States and territories. On behalf of the victims we represent, we ask that you support the Violence Against Women Act's (VAWA) reauthorization.

VAWA's programs support state, tribal and local efforts to address the pervasive and insidious crimes of domestic violence, dating violence, sexual assault and stalking. These programs have made great progress towards keeping victims safe and holding perpetrators accountable. This critical legislation must be reauthorized to ensure a continued response to these crimes.

Since its original passage in 1994, VAWA has dramatically enhanced our nation's response to violence against women. More victims report domestic violence to the police and the rate of non-fatal intimate partner violence against women has decreased by 53%. The sexual assault services program in VAWA helps rape crisis centers keep their doors open to provide the frontline response to victims of rape. VAWA provides for a coordinated community approach, improving collaboration between law enforcement and victim services providers to better meet the needs of victims. These comprehensive and cost-effective programs not only save lives, they also save money. In fact, VAWA saved nearly \$12.6 billion in net averted social costs in just its first six years.

VAWA has unquestionably improved the national response to these terrible crimes. We urge you to support VAWA's reauthorization to build upon its successes and continue to enhance our nation's ability to hold perpetrators accountable and keep victims and their children safe from future harm.

We look forward to working with you throughout the reauthorization process.
