The exemption is mandatory and applies to taxes levied by all taxing authorities in the State.

Eligibility: A veteran, whose service-connected disabilities are rated less than 10% by the Department of Veterans Affairs, or a branch of the Armed Forces, is not entitled to a property tax exemption. Tax exemptions apply for those rated 10% through 30% first \$5,000 of appraised value, 31% through 50% first \$7,500 of appraised value, 31% through 50% first \$7,500 of appraised value, 51% through 70% first \$10,000 of appraised value 71% or more first \$12,000 of appraised value. The surviving spouse of a person who dies on active duty is entitled to exemption of the first \$5,000 of the appraised value of the spouse's property. A surviving child of a person who dies on active duty is exempt on the first \$5,000 of appraised value of the child's property, as long as the child is unmarried and under 21 years of age. Loans for \$45,000 or less may be originated through the Texas Veterans Land Board's program. There is no maximum sales price with the VHAP; however, the VLB can only loan up to \$325,000 towards the purchase. The VHAP is not a refinancing program. If you have an existing loan on your home, you cannot use the VHAP to lower your interest rate, nor can the VHAP be used as a down payment on a home. It can only be used as a first lien on your primary residence. The term of the loan can be 15, 20, 25 or 30 years.

Eligibility: The VHAP must be originated in conjunction with Federal Housing Administration (FHA), Veterans Administration (VA), or conventional financing. All VLB loans require an escrow account be set up for taxes and insurance. Two-note conventional loans over \$325,000 are subject to specific requirements.

No down payment is required. For loans of less than \$10,000, the maximum term of the loan will be 10 years. All loans are FHA-insured.

Eligibility: The veteran cannot advance any funds to the contractor or purchase materials prior to receipt of loan proceeds from the VLB. The VLB must be in a first or second lien position. All property improvements should be completed within six months from the date of disbursement of loan proceeds. If the veteran is required to vacate the home while the improvements are being made, the veteran must re-occupy it within 60 days after completion of the construction.

Texas State Veterans Cemeteries are currently operating in Central Texas in Killeen, in South Texas in Mission, and in West Central Texas in Abilene. Cases presenting multiple discharges of varying character are also referred for adjudication to a VA Regional Office. Reservists and National Guard members who, at time of death, were entitled to retired pay under Chapter 1223, title 10, United States Code, or would have been entitled, but for being under the age of 60.
